

DEGREASER

Degreaser can be used in all soak solutions:

1. Helps prepare the skin to accept tanning.
2. Helps relax the skin for easier shaving.
3. Helps soften stiff skins such as African and grease burned skins.
4. Degreases by removing natural fats and oils.
5. Helps clean skins of dirt, blood, smoke stains.
6. Is compatible with all tans, salt and pickle baths, and degreasing baths.
7. Will not cause hair slippage.

Directions:

Skin Prep: Use one ounce of Degreaser to five gallons of water in salt solution, pickle solutions, and or tan solutions. It helps in a quicker and faster penetration.

Relaxor: Use one ounce of Degreaser to five gallons of water. Leave skin in solution until relaxed, then place skin in slat solution (add one ounce at a time). Allow several hours before adding more.
