

INFORMATION SHEET

Oxalic Acid

IN CASE OF FIRE:

Use a water fog foam, CO2 or dry chemical extinguishing media. Fire fighters should be equipped with self contained breathing apparatus and turnout gear.

EMPTY CONTAINERS:

All labeled precautions must be observed when handling, storing and transporting empty containers due to product residue. Do not reuse this container unless it is professionally cleaned and reconditioned.

DISPOSAL:

Spilled material, unused contents and empty containers must be disposed of in accordance with local, state, and federal regulations. Refer to our Material Safety Data Sheet for specific disposal instructions.

IN CASE OF CHEMICAL EMERGENCY:

Call CHEMTREC day or night for assistance and information concerning spilled material, fire, exposure, and other chemical accidents. 800-424-8300.

ATTENTION:

This product is sold solely for use by Industrial Institutions.

Refer to our Technical Bulletin and Material Safety Data Sheet regarding safety, usage, applications, hazards, procedures and disposal of this product. Consult your supervisor for additional information.

CAUTION:

Contact with eyes or skin may result in moderate irritation. Ingestion may result in gastric disturbances. Inhalation of dusts may irritate the mucous membranes.

Use with local exhaust to control dusting. Wear an approved dust respirator, chemical goggles or side shield safety glasses, gloves, coveralls, apron, boots, and other protective clothing as necessary to prevent contact.

FIRST AID:

Eyes – Immediately wash eyes with running water for 15 minutes. If irritation develops, get medical attention.

Skin – Wash affected areas with soap and water. Remove and launder contaminated clothing before reuse. If irritation develops, get medical attention.

Ingestion – If swallowed, dilute with water and immediately induce vomiting by sticking finger down victim's throat. Never give fluids or induce vomiting if the victim is unconscious or having convulsions. Get immediate medical attention.

Inhalation – Move to fresh air. Aid in breathing, if necessary, and get immediate medical attention.
